ELMCREST FARM PAWNEE, ILL.

Friday, December 11, 1959

THIS SALE HELD ANNUALLY,

has become widely known for quality. Ask any of the hundreds of good cattlemen who have bought here and they will assure you that their investments have returned liberal dividends.

Daughters of Leveldale News Flash produced in the J. E. Klokkenga herd.

The Elmerest Herd is one of the strongest in Illinois. This picture shows a few of the brood cows, most of them imported or out of imported cows.

A safe place to buy

Seed stock from the
Sangamon District sales
has been distributed to all
corners of the nation . . .
Always the word comes back
"These are the good doing kind"

General Information

Time and Location: This auction sale will be held in the comfortable sale pavilion at Elmcrest Farm, 1½ miles northeast of Pawnee, Illinois, which is 20 miles south of Springfield, Illinois, on Friday, December 11, 1959. It is easy to ship cattle in any direction from Elmcrest Farm by truck or rail. Trains will be met in Springfield if advance notice is given. Call Ralph Edge, Manager, Elmcrest Farms, Pawnee, Illinois. The phone number is Pawnee 4147. The sale will start promptly at 12 noon Central Standard Time. Lunch will be served at the farm.

Sale Headquarters: The Lincoln Hotel, Springfield, Illinois.

Terms: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

Guarantee: The guarantee endorsed by the American Shorthorn Breeders' Association, printed in full on page 39 of this catalog, will cover the cattle sold in this sale. Every animal has passed a test for T. B. and Bang's Disease and Health Certificates will be furnished for interstate shipment. Most of the young animals in this sale have been calfhood vaccinated for Bangs.

A certificate of registry and a signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf sold in dam.

Where footnotes appear in this catalog they were furnished by the consignors or written from information supplied by the consignors.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Sangamon District Shorthorn Association, the sale manager nor the clerk of the sale assumes any liability, legal or otherwise. We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

Mail Bids: Those wishing to buy at this sale may send their bids to Hal Longley of the Shorthorn World, Aurora, Illinois, or to Kenneth Fulk of the American Shorthorn Breeders' Association, Live Stock Exchange Building, Union Stock Yards, Omaha, Nebraska.

The Sale Manager: Hal Longley, The Shorthorn World, 16 South Locust Street, Aurora, Illinois, was retained for the specific tasks of inspecting the sale offering, preparing the catalog, handling the advertising and publicity, transferring registry and disbursing the receipts to the consignors. He accepts no liability for the contract or for any accidents that may occur.

**This Sale Is Held Under the Auspices of the
SANGAMON DISTRICT SHORTHORN BREEDERS' ASSOCIATION**

HERE'S WHERE THIS SALE IS TO BE HELD . . . at Elmcrest Farm, owned by Dr. Arthur H. Weiland and managed by Ralph Edge. One of the great herds in the State of Illinois is maintained on this farm.

22 Bulls

Most of them ready for immediate service. Several outstanding prospects good enough for TOP herds to bring along as junior herd bulls. Outstanding quality.

46 Females

A real group of breed improvers backed by the strongest bloodlines. Heifers bred to nationally famous sires. Open heifers that can win in 1959 shows.

Throughout this catalog you will find illustrations of many famous sires that are in service in Sangamon District herds. These bulls are the great recommendation for this area as a source of supply for reliable seed stock. The bull shown above is an example. He is Louada Fearless, famous son of Calrossie Armada that is being used in the herds of Ralph W. Bivin, Waverly, and Glenn N. Mangold, Auburn, Illinois, both consignors to this sale.

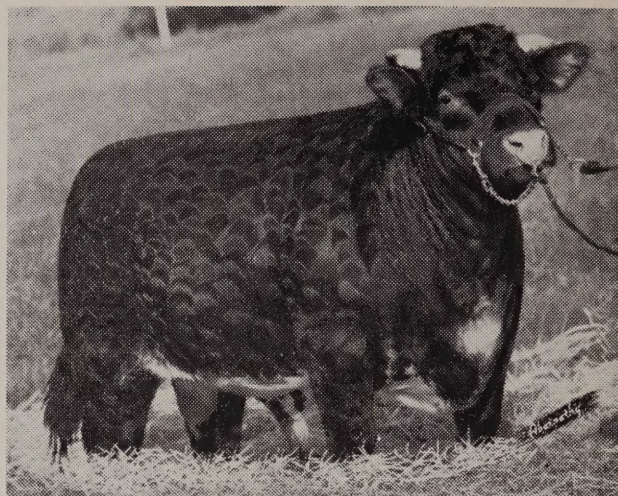

These four beautiful heifers were produced in the herd owned by Malcolm Tucker & Son, Chrisman, Illinois. The Tuckers are selling two outstanding bulls in this sale. See Lots 9 and 10.

The cattle in this sale are not the tail ends from second rate herds. The Sangamon District of Illinois is filled with excellent herds. Few are large enough to hold individual sales so these breeders retain their better cattle for this annual event. This year the offering is both larger and stronger than ever before. Coming from the heart of the greatest beef producing area in the country and in a Short-horn stronghold, this will be an ideal place to buy the right kind. Great bulls are used in these herds and each year the program of improvement going on in the herd of every consignor shows up without question in the quality of the offering.

Leveldale Capitol, many times grand champion son of Leveldale Basis now siring great calves for Elmcrest Farms, Pawnee, Illinois. He sired the champion and top selling bull and the top selling female at the 1959 Illinois State Sale. Lots 1 and 2 in this sale are his sons.

Elmcrest Bolido, produced in the Elmcrest Herd owned by Dr. A. H. Weiland, and recently purchased by Renes Broussard, Abbeville, Louisiana. This is the third bull Mr. Broussard has purchased from Elmcrest Farm. Half brothers of this bull will be featured in this sale.

Connieland Huntsman — This son of Phopachy Huntsman was to be used in our herd as a junior sire until a Louada Princess Royal calf came along, so we have decided to part with him. He has a wonderful head, is very smooth and we think he is one of the best Huntsman calves. He is out of an imported Burnton Princess Royal cow that topped the Sangamon District Sale a couple of years ago.

Westmont Mandarin, famous son of Cruggleton Al-lardice that was used with great success in the Ralph Bivin herd. He is the grandsire of Lots 5 and 6 in this sale.

The members of the Sanga-mon District Shorthorn Breeders' Association are grateful to Dr. Arthur H. Weiland, owner of Elmcrest Farm, for making available the wonderful accommoda-tions of this farm for the holding of this annual sale. A cleaner, more beautiful place for such an event would be difficult to find — and the consignment from Elmcrest Farm is al-ways a strengthening fea-ture of the sale.

S & T Caesar 7th — A good, deep bodied son of the many times champion and sire of champions, Leveldale Caesar. His dam is a great imported cow of Easterlovat Climax. She has had three bull calves for us, all of which have been of herd bull calibre. Her calf topped our sale last year going to Switzer and Schenck of Crawfordsville, Indiana, for \$1,000 and this calf is of the same quality as his half brother. A half sister, Augusta 20th, was grand champion female at the Illinois State Fair. We have used this bull some in our herd and he is a sure breeder.

Leveldale News Flash, International reserve junior champion. This \$8,500 son of Calrossie Good News has made a great record in the herd of J. E. Klokkenga. He is the sire of Lot 11.

A WIDE SELECTION

The members of this association are human. When they start out on buying trips, they like to go to the sales where the selection is wide. They want their own sale to be just as attractive from this standpoint. So that buyers who attend may have wide choice, they have held back 22 bulls for this sale and, to appeal to the man who is seeking richly bred females in liberal numbers, they have assembled an offering of 46 cows and heifers. Yes, this is the ideal sale for the man who is seeking one or a carload.

A few of the cows and calves in the strong herd of Malcolm Tucker & Son are shown here with the great junior herd bull Leveldale Pacemaker, many times champion son of Leveldale Basis. Tucker & Son are selling two outstanding bulls in this sale.

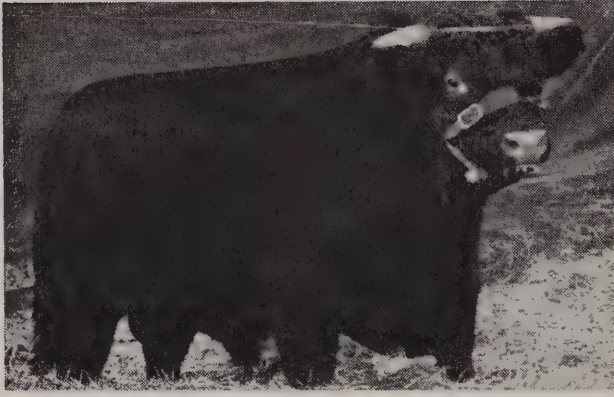

Is this a good time to buy females?

For the breeder who already maintains a well established herd, there never was a better time to weed out worn out and unprofitable cows. These can be replaced with young, well bred heifers and the margin of cost is unusually low.

For the man who is considering the plan of starting a new herd, now is the time for action. Young cows, bred heifers and open heifers, can be acquired in sales like this at very reasonable prices. At today's prices, one calf will usually pay the bill.

Is this a good place to buy?

Forty-six grand young females are to be offered in this sale. They are right in type, right in pedigree, and offered in exactly the right flesh condition to insure future usefulness.

Connieland Mandarin, reserve senior champion 1954 American Royal. This grandson of Crugleton Allardice was used with great success in the herd of Ralph Bivin. Lot 23 in this sale is a daughter and Lot 6 is a son.

The

Sangamon District

of Central Illinois

"There is no richer soil in the world . . . no area with a greater concentration of superior Shorthorns."

The Sangamon District . . . the area around Springfield, Illinois . . . is one of the world's finest farming sections, Shorthorn cattle always have played an important role in the diversified agriculture of the District. The farmers of this area believe in good seed and modern tools. That is why their Shorthorn herds are headed by bulls of national fame.

Because this is a diversified farming area, the herds are not large enough to warrant individual, annual sales. The Sangamon District sale has become the auction sale outlet. Sangamon District breeders point their best productions toward it. Seed stock from this sale has been dispersed to all corners of the nation. The word always comes back . . . "THESE ARE THE GOOD DOING KIND."

Standard Guarantee Endorsed by the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such a case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer, will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
